- Jim is getting bank accounts set up with new people. All will sign.
- Question for Lucas: Will music get to go on tours? No word from Admin. We would like some "what if's" discussion about possible options. We are talking about pre-covid style.
- Will talk with Julie to set up volunteer opportunities for the next concert.
- Tammy will look at ticket purchasing to either go to GA or still have reserved seats?
- Money should be coming for the \$5000 earned from the concerts for ticket sales.

Bingo Report: Heather and/or Denise

- We are in desperate need of volunteers. Bingo can't go on at this rate. The incentive of possibly winning a \$100 gift card with our monthly drawing isn't motivating many to step up. This must get addressed.
- We have definitely seen an increase of players and when asked, they indicate that they saw the ad in The Marketplace.

Julie's Volunteer Report:

	<p>possibly be used for volunteers.</p> <ul style="list-style-type: none">● Discussion of possibly joining with Choir to support each other with funding and volunteers.● Julie: Popcorn popper, one is missing a door other is missing a screw. Many complain about the weight of the machine, and volunteers don't want to use it any more due to weight. What do we want to do? Do we want to get a different size that gets bolted on the cart that doesn't have to be lifted? 60 to 100lb for one we are looking at. Julie to look into getting a popcorn machine already on a cart to be permanently attached.● Scholarship applications due 3/18 Committee will work to go through the applications for awards. Names must be to Alison by 4/1
