<a href="#">Slide Show Presentation</a>	<p><b>Jim’s President Report:</b> Welcome! We are trying to reach out to get more people involved</p> <p><b>Mike’s Program Report:</b></p> <ul style="list-style-type: none"> <li>● Introduction of Manny (Student Rep from Band) &amp; Kim (Student Rep from Orchestra)</li> <li>● Moving smoothly with Juries - (final exam to play for Mike and section leader, summative at the end of the semester.) Kids play what they have been working on. Mike can hear one-on-one. Basically, it is an audition for future endeavors and worth 10% of the grade.</li> <li>● Built a Pit Orchestra for our school’s musical: Perform wed. Feb 16, 17, 18, 19, 20. Mr. Cooper is the contact.</li> <li>● Pep Band: formed and now trying to figure when members can practice and play and at what events/games</li> <li>● Switching Marching Band to Concert Band.</li> <li>● Big topic: Feb 22nd - Feb 28th is a possible week to have a concert since the district has scheduled two musicals. NO funds are available from the District to find a venue.             <ul style="list-style-type: none"> <li>○ We can look for venues. Try the Conservatory, Opera House, Uptown, NVC, Yountville Lincoln Theater, Yountville Community Center, JAM Cellars. What about dates around St. Patrick's day?.</li> </ul> </li> <li>● Jim asked: What does the program need? The answer helps with fundraising for the dream. Mike’s answer: Two fold: Instructors for specific instruments with time on those instruments and Facilities: Once every two weeks. Usually the performances are the motivation for the students to stay connected with their playing. Hard to stay motivated when performances are restricted or not allowed. Mike wants to bring experts in to play for the musicians. \$800 was raised by the Jazz Band to try to put on a spring event.</li> <li>● Maria had a question about Band and Music Pictures? Classic photography was set for today but didn’t work. Mike will reschedule pictures for the spring.</li> <li>● Music Events: Mostly available are competitions and Mike doesn’t want to</li> </ul>
